Dear Sirs,

I received your letter DCI of the 22 u.s n. 898 and I let you know that it is possible to publish for a whole year (six following times) one page of news pertinent to Cyprus opposite to a contribution by the bulk of 180,000 Italian Lires.

The "fotolito" expeuses will be a burden to us - we should like to get articles and news in italian, but if you send them in english, we can provide for the translation, without any extra - charge. You would send to us the design to place up on the page in the middle of "Cyprus Notizie", and the photographs of events or touristic resorts.

I hope you will found advantageous the proposal and shortly on "VIE MEDITERRANEE" we can begin the permanent rubric of "Cyprus Notizie".

Yours faithfully

Gaetano Falzone, director
