Department of History
Professor of Modern History: H. Hearder, Ph.D.

25 June 1974

Dear Professor Falzone,

It was very kind of you to send me the copy of your new biography of Crispi which arrived yesterday. I have already started to read it and am enjoying it enormously.

It is good to have a modern, short and very readable life of Crispi to recommend to those of my students who can read Italian.

With many thanks and best wishes,

Yours sincerely,

Harry Hearder.
